

The Texas Orthopaedic Association
Presents
**State & Federal Public Policy
Expectations for 2020**

Bobby Hillert is the executive director of the Texas Orthopaedic Association and will provide a review of the public policy activities in Austin and Washington.

Monday, July 20, 2020 | 7:00 p.m. – 8:00 p.m.
Email Bobby@toa.org to receive the Zoom link.

Learning Objectives

1. Determine what changes your practice will need to make to address Texas' new laws and regulations related to opioids.
2. Define Texas' law related to podiatry and the definition of the foot.
3. Define Texas' new law related to physical therapy direct access.
4. Identify Texas' new law related to out-of-network billing.
5. Analyze Medicare's 2021 payment proposals for ASCs, HOPDs, and the Physician Fee Schedule to determine how they will affect your practice.

Speaker & Planner Disclosures

Speakers:

- Bobby Hillert

TOA CME Committee:

- Ken Kaminski, MD
- Adam Bruggeman, MD
- Luis Urrea II, MD

The speaker has no financial relationships to disclose.

See attachment for financial relationships for the TOA CME Committee.

ACCREDITATION

The Texas Orthopaedic Association is accredited by the Texas Medical Association to provide continuing medical education for physicians.

CREDIT

The Texas Orthopaedic Association designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ethics CME Credit

The presentation, State & Federal Public Policy Expectations for 2020, has been designated by the Texas Orthopaedic Association for 1.0 credit of education in medical ethics and/or professional responsibility.

A post-assessment survey will be provided.

Financial Disclosures

Each program planner and speaker as well as their spouse has been asked to disclose if he or she or his or her spouse has received something of value from a commercial company or institution, which relates directly or indirectly to the subject of their presentation. Participants must disclose:

- research or institutional support has been received;
- miscellaneous non-income support (e.g. equipment or services);
- royalties;
- stock or stock options;
- consultant or employee;
- and disclose if nothing of value received

An indication of the participant's disclosure appears after his or her name as does the commercial company or institution that provided the support. TOA does not view the existence of these disclosed interests or commitments as necessarily implying bias or decreasing the value of the author's participation at the meeting.
